

I have been informed that the FCC is considering expanding the LPFM stations in our area. This would eliminate my current favorite station, K-LOVE. K-LOVE is a station with powerful effects on the lives of many. Because of the five full-time ministers on call 24 hours a day, they have prevented many suicides. They counsel drug addicts and send them to local councilors. They play positive and encouraging music that sets my mood for the day. I would greatly miss them as would many others.

Please, do not take them off the air in my area or anywhere else.

Thank-you,

Lucinda Freeman
